- Notes:
- All bearings and distances contained herein are grid, based on WGS 84/UTM15, North American Datum of 1983, (NAD83) and derived from an on-the-ground survey conducted in May, 2018.
 - Ownership and Tract information shown hereon is based on abstract services provided by SunCoast Land Services, this plat was prepared without a commitment for title insurance. Therefore, Easements of record may exist and are not shown hereon.
 - Easement lines are intended to be clipped or prolonged to the deed lines.
 - This survey was performed under my supervision for the specific purpose of establishing a BASELINE, mapping selected features, and locating necessary land lines for License acquisition for a gas pipeline, and do not constitute the results of a full boundary survey.
 - See Exhibit "A" for the description.

Exhibit "B"
